Assignment 1: FAQs

Remember deadline is Friday at 5pm!

- You should include both the code and the response from the console (where relevant)
- The simplest way (for now) is to copy/paste your code and console response into word
- You are allowed to use packages we haven't discussed in class, but you don't need to

Assignment 1: FAQs

- R has many ways of doing the same thing
- R cannot handle unnamed columns and will automatically name them
- Preferred format is PDF, Word (e.g. docx) is also acceptable
